

# We'd like to help you get up to date with your AllyCAD Software

AllyCAD 8.0 is receiving significant commendation and bringing your license up to date will give you access to the latest **features and functionality**. Knowledge Base prides itself in continuing to provide the software, support and training that equip you to successfully tackle the projects you face.

All our licenses are perpetual. Unlike some software providers, we believe that your software is a valuable asset and **you should own what you purchase!** Contact us by replying to this email if you would like a quotation to bring your subscription up to date and upgrade your license for AllyCAD version 8.0.
